

REQUIREMENTS FOR ENTRANCE EXAMINATIONS

Academic program: «8D02102 – Instrumental Performance» «String instruments»

Admission of persons to the Doctoral program is carried out with the obligatory presence of an international certificate of proficiency in a foreign language, Kaztest.

1. CREATIVE EXAM IN SPECIALTY

Creative exam in specialty includes performance of a concert program and oral response on the ticket.

Performance of a concert program

Performing the compositions of different styles and epochs, including the work of the Kazakhstan composer. Duration – 30-40 minutes.

EVALUATION CRITERIA:

1.1 The maximum score for the Creative Exam in the specialty is 50 points. The minimum passing score is 25.

– **45-50 points (excellent)**

The applicant must show bright musical data, performing abilities, a sense of style, and a culture of performing intonation.

In the oral exam, the Applicant must show broad musical erudition, theoretical knowledge, analytical thinking.

– **36-44 points (good)**

The entrant's performance is meaningful, the author's text is accurately read, and stylistically sustained. But at the same time, it does not demonstrate technical freedom, the performance is not distinguished by variety and quality. During the oral exam, the applicant's knowledge is specific, the logic of the presentation of the material is clear and convincing. But at the same time, he is poorly oriented in the history and theory of music, is not sufficiently aware of the key trends in musicology, is not independent in the wording, and does not know how to think systematically.

– **25-35 points (satisfactorily)**

Poor understanding of the style and content of the performed compositions, insufficient command of expressive means of musical intonation (intonation, hearing, phrasing, rhythm). During the oral exam, there is a lack of knowledge of the analysis of phenomena, works, processes; insufficient logic in the presentation of the material; insufficient knowledge of the problems of methodology, history and theory of musicology.

– **0-24 points (unsatisfactorily)**

Lack of self-control, initiative, rhythmic will, poor command of technical and artistic means of intonation, non-compliance of the program with the required level for admission. During the oral exam, there is a lack of skills in analyzing phenomena, works, processes; lack of logic in the presentation of the material.
