

II. Master's Program Admission Procedure

15. Applicants who have completed undergraduate educational programs in the field of Art are eligible for admission to the Master's program.

For the Art Management program, applicants are accepted who have completed undergraduate programs, excluding those in technical and medical specialties.

If applying for a Master's program in a different field than the undergraduate degree, the university determines the list of prerequisites required to master the relevant program.

For the Art Management Master's program, applicants from other undergraduate specialties are required to complete the following prerequisites: «Fundamentals of Management», «Fundamentals of Marketing», «History of Concert Management».

Prerequisites shall be studied on a paid basis. The prerequisite term shall be completed prior to study.

16. Those who are entering the Magistracy shall submit the following documents to the Conservatory Admissions Office both in person and through the Platonus Information System at <https://platonus.conservatoire.kz/registration.html> :
