Quality Objectives department of «Professional Retraining and Advanced Training» of the Kurmangazy Kazakh National Conservatory for the 2025–2026 Academic Year.

The objectives department of «Professional Retraining and Advanced Training» at the Kurmangazy Kazakh National Conservatory (hereinafter referred to as the Conservatory) under the Ministry of Culture and Information of the Republic of Kazakhstan are to create a system of continuous professional development and competence growth for teaching staff, ensure the improvement of the quality of teacher training for musicians, and update theoretical and practical knowledge in response to increasing qualification requirements and the need to master modern teaching methods.

Tasks:

1. Satisfy specialists' needs for a full range of necessary information in the field of modern scientific discoveries in professional music education;
2. Support, expand, deepen, and improve previously acquired professional knowledge, skills, and competencies of learners;
3. Enhance pedagogical technologies, develop professional-personal qualities and creative abilities of teaching staff, and increase their scientific potential;
4. Implement documentation support for the professional development process and expand the database of author programs and educational-methodological materials;
5. Provide post-course support for teachers who have completed professional development courses at the Kazakh National Conservatory by organizing activities that ensure the formation of professional competence through ongoing monitoring of their post-course activities and providing methodological and consultative assistance.
